

Flint Arrowhead Barbershop Chorus

Volunteer Philosophy

Friday, April 8, 2016

"Everyone sings, everyone helps just a littleplease."

The Flint Arrowhead Barbershop Chorus offers its members an exciting musical experience that explores the depth of the fine arts while fostering brotherhood. We commit to offer our guys a wide range of enjoyable experiences through chorus and quartet singing, concerts, shows, district competitions, community and church performances and rehearsals. The goal is to sing and in doing so have fun!

If every member commits to attend rehearsals and volunteer to work a few hours a year the work can be evenly spread over the entire organization. Volunteer opportunities will be documented and communicated to members prior to musical events where volunteers are required.

This philosophy is based on the premise that if you ask someone to do a specific duty, and tell them what, when and how, they will help. The key is to know what you want and be specific with request parameters. Without specifics, intentions sit and become idle and nothing gets done. The success of our music program depends entirely on our involvement and support. ***"Everyone sings, everyone helps just a little....please."***

End.
